

# Building with natural stone!

- **ECONOMICAL**  
– **QUICKER BUILD**
- **COST SAVING**  
– **SAVES TIME AND MONEY**
- **LIGHTWEIGHT**  
– **ENVIRONMENTALLY FRIENDLY**
- **DURABLE**  
– **LASTS LIFETIME OF BUILDING**

# SURECAV®

## Introducing SureCav® – Revolutionary new cavity wall technology

If you are building using stone, slate, brick or flint, then SureCav® will save you time and money as well as guarantee moisture free cavities. SureCav® can increase the internal square footage of the property by as much as 5% and enable you to use 50mm cavities in any exposure zone.

**Discover a better way of cavity wall construction**
